are not always accurate. The only way to positively link someone to a criminal record is through fingerprint verification.

The registry contains information as reported by the law enforcement agency that served as the offender's last Texas registration authority. Registrants who leave the state will have their last reported state/country of intended residence reflected in the address portion of their record. Registration information will remain on the web site until the duty to register has expired or other relief allowed by statute is granted. (Art. 62.101 and 62.251 Tx CCP)
